JACOB SPAT IN MARY'S FACE

Hence Mrs. Hoff Asks District Court for Divorce From Her Cruel Spouse.

That the matrimonial life of Mary E. Hoff and Jacob S. Hoff has not been one of blissful happiness was evidenced in the district court yesterday, when Mrs. Hoff filed a complaint for divorce from her husband. She alleges desertion and non-support, as well as some other things. Among the allegations is the charge that on June 24 of last year Jacob S. Hoff, in a rude, sulky, angry manner, spat in her face and left the premises. The plaintiff avers that for a long time prior to this happening she had been treated in a most cruel and inhuman manner, and had often been insulted by both words and acts. This, too, without reason. The couple were married in Watertown, S. D., Sept. 3, 1900.

SUSPECTED OF BURGLARY.

Two Men Arrested at South Weber for Ogden Crime.

John Craig and Harry Crawford, both aged about 30, were arrested at South Weber early yesterday afternoon by Deputy Sheriff B. E. Wilson and Seymour Clark, on suspicion of having been connected with the gang who burglarized the Beecraft store a short time ago. At the time of the arrest the two men had nine razors, eight pairs of scissors, five dozen pocket knives, three revolvers, and four pairs of spectacles. Later in the day L. H. Beecraft called at the sheriff's office and identified the stuff as identical with that stolen from his store. The men are in the county jail.

WILL BLAZE WITH LIGHTS.

Committee of U. C. T. Lodge Plans Brilliant Display for Convention.

The committee of the local U. C. T. lodge having in charge the arrangements for the U. C. T. convention are arranging for a large number of electric lights, to be used for decorating purposes. They expect to have a string of lights reaching from the Union depot to Washington avenue on Twenty-fifth street, and on Washington avenue to Twenty-third street. The business houses are also being encouraged to decorate for the occasion.

Shutting Out Prison Brooms.

J. T. Lavery, president of the Utah State Federation of Labor and secretary and business agent of local union No. 27, Bridge and Structural Iron Workers of America, was in Ogden yesterday in connection with matters of interest to the organization he represents. He said that, in addition to every union in the state, he was in an effort to stop the prison-made brooms coming into the state from Nevada, where the business men and others outside their unions were willing to assist them in the movement.

Drowned in River.

Hannah Keyes, colored, fell in the river near the Becker brewer, yesterday afternoon, and was drowned. The stream at that point is very swift and the body was swept down in the current. All efforts to recover it last night were unsuccessful. The drowned woman was one of a party of seven who had gone on a picnic. While they were crossing a footbridge a piece of wire caused her to stumble and fall into the stream.

Brings Condemnation Suit.

The Utah and Idaho Railroad company, through its attorney, H. H. Henderson, brought condemnation proceedings against Milton S. Lamereaux and others for a right of way through their land, which is on their route to the Ogden canyon. They ask to condemn a strip thirty-three feet wide through the defendants' land.

Was Not Suicide.

A coroner's jury yesterday, which was empaneled in connection with the death of Mrs. John Moore, returned a verdict to the effect that the woman came to her death some time Wednesday night from an overdose of laudanum taken without suicidal intent.

"Hiawatha's" Author in Ogden.

Nell Moret, composer of "Hiawatha" and other popular melodies, was in Ogden for a short time yesterday and was the guest of H. C. Wardleigh.

Ogden Briefs.

Alfred Blackburn yesterday was sentenced to serve six months in the county jail for felony.

State Superintendent of Schools Nelson and Dr. Kingsbury, president of the state university made their annual tour of inspection to the educational institutions of the city yesterday. Brief addresses were delivered at the different schools.

The final meeting of the Ogden relief committee will be held this morning, when the work of the committee will be closed and a report of what has been accomplished. Mayor Conroy has appointed an auditing committee who will audit the books of the committee today.

The inability of the Harriman lines to secure brick masons for the construction of the power house and addition to the machine shops may necessitate some local changes in the present plans. The buildings are badly needed and temporary frame buildings may be constructed.

DIES OF HIS INJURIES.

Brakeman Pilgrim Passes Away at Park City Hospital—Will Be Buried in Salt Lake.

Park City, May 10.—William Pilgrim, the brakeman who was injured on the 7th inst. by being run over by a Rio Grande Western engine, died at the Park City Miners' hospital about 10:30 o'clock this morning. After the injury the unfortunate man was taken to the hospital, where amputation of one of his legs was found to be necessary and was performed, and it was thought that he was on the high road to recovery. However, it was known that the patient had been dragged over the ties for some distance, and as a result there might be internal injuries which would occasion some trouble, but the man was so much better that it was thought that he was in no danger. A change in the condition of the injured man took place last evening and, in spite of all that could be done, he died this morning, about ten minutes after his wife, who had been summoned from Salt Lake, arrived at his bedside. Deceased was a man 35 years of age, had been in the railroad business practically all his life, and had been on the run where he was injured for more than two years. He carried a policy for \$2,000 in the New York Life Insurance company. The body will be taken today to Salt Lake for interment.

For the past two days the women of this town have been devoting their time and energy to making clothing to be shipped to San Francisco. The basement of the Congregational church has been used as a workroom, and finished garments are being turned out in wholesale lots.

The local branch of the G. A. R. took an excursion to Salt Lake this morning to the annual encampment of the organization of the state. Something over eighty-five tickets were sold.

When in doubt as to a quick luncheon, run to the grocer's for a can of MOUNT'S Pork and Beans with Tomato Sauce. Serve hot or cold. None so good.

Bechtel, being tried on a charge of misappropriating \$33,000 of the Northwestern National Life Insurance company's funds. Bechtel told of the paying of \$5,000 in marked bills to former State Insurance Commissioner O'Shaughnessy in a room in the Ryan hotel in St. Paul.

Mr. Bechtel said O'Shaughnessy had demanded the money, saying, "I'm not in the business for my health," and "remember there are two of us."
